

Trail Descriptions and Etiquette

Trails in Montana de Oro State Park offer bicyclists, hikers, and equestrians varied terrain with beautiful ocean and canyon views. Mountain bike trails range from flat and wide to technical singletrack. The Bluff Trail, Islay Creek Road, and Hazard Canyon Road require the least amount of bike handling experience and physical fitness. East Boundary, Hazard Peak, Barranca, and Manzanita Trails are generally considered intermediate and advanced trails. When riding these trails, please be mindful of the etiquette recommended by the International Mountain Bicycling Association (IMBA) and CCCMB:

1. Only ride on open trails.
2. Leave no trace.
3. Ride in control of your bicycle.
4. Always yield trail to others.
5. Never scare animals or people.
6. Plan ahead.

Who We Are

Since 1987, CCCMB has been working to keep local trails open for trail users. CCCMB members have invested thousands of hours of volunteer effort in the repair of trail erosion, as well as in constructing new trails. Additionally, CCCMB actively represents mountain bikers and other trail users in the political arena. Responsible trail use and observation of trail etiquette are of fundamental importance. This helps to ensure continued trail access for all, prevent erosion and reduce user conflict. As always, all who enjoy this land — hikers, runners, equestrians, and cyclists — are invited to join in and help ensure continued access to our public trails.
